

A little X-tra...

**A little extra taqibat,
So your salat is sweet,
A little extra Dua,
For all those in need.**

**A little extra ziyarat,
To excel spiritually,
A little extra dhikr,
To help finally.**

**A little extra tawakkul,
Keeps the soul pure,
A little extra patience,
For all tests we endure.**

**A little extra humbleness,
For when the day comes,
Then your deeds can declare,
A little extra was done.**
